

CALL FOR PAPERS

Global Strategy Journal (GSJ) Paper Development Workshop

Miami, Florida, USA, Thursday, July 2, 2020

Submission Deadline: February 28, 2020

Global Strategy Journal is the leading journal on global strategic management research. It aims to shape the direction of conversations on the interaction between the global context and strategic management. It is a journal of the Strategic Management Society. More information on the journal and the society is available at <https://www.strategicmanagement.net/gsj/overview/overview>.

The Paper Development Workshop (PDW) will be offered in connection with the AIB Annual Meeting in Miami. The PDW will be held between 2 pm and 6 pm on Thursday July 2, 2020 at the conference venue, the Intercontinental Miami Hotel, as part of the pre-conference activities.

The purpose of this PDW is to provide scholars with developmental feedback on their current papers and research projects. The PDW is open to all scholars, but preference will be given to doctoral students and early career academics. Co-Editors and Associate Editors of GSJ will provide detailed feedback to the authors in a roundtable discussion format. The workshop will also invite peer feedback from the other participants to offer a rich developmental experience to the authors. While we hope that many of the participating papers will be eventually submitted to GSJ, the purpose of the PDW is broader: to improve the quality of global strategy research by providing quality feedback, and to bring new scholars into the field.

Prospective participants in the 2020 GSJ-PDW are invited to submit their paper manuscripts via the [AIB submission system](#) by January 31, 2020. Each participant may submit only one manuscript for the GSJ-PDW. The cover page of the manuscript should include all authors' names, e-mails, and affiliation. Manuscripts will be selected based on the fit with the journal and quality of their submitted work. Accepted participants will be required to register for the [AIB 2020 meeting](#) and confirm their participation by March 31, 2020, and will be invited to submit a revised manuscript (i.e., the version to be discussed at the GSJ-PDW) by June 1.
