**Journal of Management Studies/Journal of World Business
Paper Development Workshop**

AIB 2020 | Miami, Florida | Thursday, July 2, 2020

Submission deadline: February 28, 2020

The *Journal of Management Studies* and *Journal of World Business* are collaborating to host a joint paper development workshop during the 2020 Academy of International Business conference (<https://www.aib.world/events/2020-miami/>). The workshop will be held in Miami, Florida, on Thursday, July 2, 2020, as part of the pre-conference program for the Academy of International Business 2020 conference.

The purpose of the PDW is to provide developmental feedback to scholars and doctoral students on research projects that are at relatively advanced stages of development and encourage them to develop quality research papers on issues that are of relevance to JMS, JWB, and other high-quality management and international business journal outlets.

The workshop will be led by the Journal of Management Studies and Journal of World Business editors: Jonathan Doh and Ajai Gaur, along with other senior editors and established scholars from JMS's and JWB's editorial teams. The workshop will include presentations on publishing strategies and techniques and in-depth feedback on selected papers.

The PDW will be structured to provide extensive feedback to authors whose research papers have been accepted by the workshop organizers. Only a limited number of manuscripts will be accepted for the PDW. Participants will be invited based on the quality and potential intellectual contribution of their submitted work.

Submission Instructions:

We encourage authors to submit their original work under two categories: full-length papers (maximum of 10,000 words) and "idea" papers (maximum of 2,000 words). Papers previously submitted to JMS, JWB, or other journals, that were not successful in the review process, are welcome for the PDW. We can accommodate up to about 20 papers for this event. Please submit your papers through the AIB submission system: <https://meetings.aib.msu.edu/jpdws/2020/>

The deadline for submissions is **February 28, 2020**. Each applicant can submit only one paper, but you may submit the same (or another) version of the paper for presentation at the AIB 2020 Conference. Please submit a single document, including a cover page with the author names, emails, and affiliations.

Submitting authors will be notified of the results of the review process and will need to confirm their participation in the PDW by **March 15, 2020**.

Please note that authors will need to register for the AIB conference in order to participate in the JMS/JWB PDW.

We're looking forward to seeing you at the JMS/JWB PDW! Please don't hesitate to get in touch if you have any questions about it.
