

CARMA-AIB Research Methods – Shared Interest Group

Online Clinics

Following last year's success, the AIB Research Methods-Shared Interest Group (AIB RM-SIG) is sponsoring the following AIB RM-SIG Clinics at the AIB Annual Meeting in Miami (USA). Please note, these clinics are being offered as a partnership between the [Consortium for the Advancement of Research Methods and Analysis](#) (CARMA) and the [AIB Research Methods - Shared Interest Group](#) (AIB RM-SIG).

Date: Thursday 9 July 2020:

Time (GMT): 12:00 pm – 1:00 pm

1. Multinomial, Ordered and Conditional Model: Stewart Miller (University of Texas San Antonio, USA)

Time (GMT): 1:00 pm – 2:00 pm

2. Qualitative Methods: Catherine Welch (University of Sydney, Australia)
3. Structural Equation Modelling (SEM): Bo Nielsen (University of Sydney, Australia)
4. Mixed Methods: Niina Nummela (University of Turku, Finland)

Time (GMT): 2:00 pm – 3:00 pm

5. Experimental Research: Ursula F. Ott (Nottingham Trent University, UK)
6. Nested & Logits/Probit Models: Stewart Miller (University of Texas San Antonio, USA)

Date and Time: Friday 10 July 2020:

Time (GMT): 12:00 pm – 1:00 pm

1. Qualitative Methods: Rebecca Piekkari (Aalto University, Finland)

Time (GMT): 1:00 pm – 2:00 pm

2. QCA: Stav Fainschmidt (Florida International University, USA)
3. Categorical Data/Survey Design: Elisabeth Rose (University of Leeds, UK)
4. Panel Data & Poisson Models: Stewart Miller (University of Texas San Antonio, USA)

Time (GMT): 2:00 pm – 3:00 pm

5. Data Collection in Cross-County Studies: Roberta Arguzolli (Durham University, UK)
6. Qualitative Methods: Fiona Moore (Royal Holloway University of London, UK)

Time (GMT): 3:00 pm – 4:00 pm

7. Data Collection Equivalence in Cross-Country Studies: Agnieszka (Aggie) Childow (University of Birmingham, UK)

Time (GMT): 9:00 pm – 10:00 pm

8. Hierarchical Linear Modelling: Bo Nielsen (University of Sydney, Australia)

The aim of each AIB RM-SIG Clinic is to provide an informal forum for discussions as well as direct feedback from a series of research methods experts/practitioners.

In the meantime, if you have any questions please do not hesitate to contact either Stewart Miller (stewart.miller@utsa.edu) or Aggie Childow (a.chidlow@bham.ac.uk).
